

Transform Your New Home Into An Easy-To-Use Smart Home

Equip your new home with some of the smartest technology available today, making it easy for you, your family, and your guests to control lighting, doorbells, locks, cameras, music, climate, intercom, scenes, and more all in one place.

Front Door Awareness
Never miss a visitor with real-time notifications, customizable motion alerts, and Quick Replies. Experience crisp 1080p HD visuals, day or night, complemented by two-way communication and adjustable privacy settings.

Enhanced Security
Seamlessly manage entry points through a user-friendly app, assign personalized codes, or rely on traditional keys. Effortlessly grant access with just a tap while setting specialized codes for guests, family members, and trusted service providers, ensuring safety and flexibility.

Lighting On Your Terms
Easily manage your floor lamps, fans, coffee makers, and more using voice control with Alexa, HomeKit, and Google Assistant. With the user-friendly Brilliant app for iOS and Android, setup is a breeze: plugin, download, and navigate your home through touch, voice, motion, and app.

Easy Temperature Control
Regulate the temperature through manual adjustments, scenes, schedules, or a dedicated app. Embrace energy efficiency, cut costs during peak times, and elevate your home's comfort and sustainability for a smarter living experience.
